SIAC/FSC/001 -2015

13th Feb 2015

Dear Business Partner,

Sub : Revision in Fuel Surcharge effective 01st March 2015

Effective 01st March 2015, Singapore Airlines Cargo will be revising its fuel surcharges on General cargo and Perishables.

Revised General Cargo Surcharges along with Perishable Surcharges at a Glance, w.e.f 01st March 2015

Route	General Cargo			Perishable Cargo	
	Fuel Surcharge (MYC)	Insurance Surcharge (XBC)		Fuel Surcharge (MYC)	Insurance Surcharge (XBC)
	INR			INR	
South East Asia / North Asia / West Asia (except Africa & Middle East)	30.00	9.00		12.00	3.50
USA / Canada / Latin America / Australia / New Zealand	72.00	9.00		28.00	3.50
Europe / Africa / Turkey / Egypt	68.00	9.00		27.00	3.50
Middle East	36.00	9.00		15.00	3.50

Fuel Surcharge (MYC) will be applied on the Chargeable Weight of the consignment and will be applicable as per flight uplift date. This will be shown on the AWB under "Due Carrier" charge and is non-commissionable. The relevant code to be reflected on the AWB will be "MYC". Also note that Minimum rated shipments are exempted from fuel surcharge.

The Insurance Surcharge (XBC) is also computed on Chargeable Weight and is applicable for shipments greater than 45kgs. It should also be reflected as "Due Carrier", and is also non-commissionable. The relevant code to be reflected on the AWB will be "XBC".

Kindly disseminate the above information to all your concerned staff and departments.

We thank you for your valuable support as always and assure you of our best services at all times.

Sincerely,
for Singapore Airlines Cargo, Kolkata

Louis Alphonso
